

CSR PLAN (FY 2017-18)

Torrent has consciously decided as a matter of policy:

1. to concentrate its efforts diligently in the areas of (i) Community Health care, Sanitation and Hygiene, (ii) Education and Knowledge Enhancement and (iii) Social Care and Concern; and
2. to focus, as far as possible, its activities where Torrent headquarters is situated and at locations in and around its operations so that the twin objectives of service to neighbourhood and community and participation of employees along with necessary admin set up can be achieved.

It has decided to undertake the following activities for FY 2017 -18 in line with its CSR Policy:

1. Paediatric Healthcare Programme - REACH - ₹ 14.08 Cr.

REACH (REACH Each Child) is a Child Health Centric Initiative by the Torrent group under the aegis of Tornascent Care Institute. REACH covers Grass root intervention (Shaishav), Greenfield Actions (Jatan) and other allied initiatives (Muskan).

- Grass Root Intervention (Shaishav):
 - Conducting further Paediatric camps to obtain the baseline health status of children aged between 6 months to 6 years at identified villages around the four locations of Indrad, Nadiad, Dahej and Sugen. During FY 2016-17, the programme covered 219 villages and held 157 camps covering 36,142 children. For FY 2017-18, the target is to reach additional 14,858 children to bring the total coverage to 51,000 children.
 - Follow-up, monitoring, and support to children identified as anaemic / malnourished and providing them with necessary therapeutic supplements.
 - Periodic checks through regular mobile OPDs with qualified Doctors
 - Providing support to children having specific medical needs (special cases) by taking them to consultants / hospitals for treatment
- Greenfield Action (Jatan):
 - Procurement and operationalizing of additional Medical vans (over and above the four procured in FY 2016-17) required for the purposes of Mobile OPDs at the identified villages near aforesaid four locations

- Establishment of Day Care Paediatric Centre along with basic laboratory facilities at the aforesaid four locations; each such Centre consisting of around 5 to 10 beds with doctors and other medical staff
- Paediatric Centre at Sugan to be enhanced eventually into a Tertiary Care Hospital with super specialty facilities
- Other Allied Initiatives (Muskan):
 - Wide spread and sustained awareness programmes on health, hygiene and sanitation.
 - Establishment of Child Care Development Centre for specially abled children and Adolescent Counselling Centre for girls and boys
 - Imparting orientation and training facilities for people connected with REACH.

In this context, an allocation of ₹ 14.08 Cr. has been made for this activity for the FY 2017-18.

2. Development of Public Parks – ₹ 4.50 Cr.

In a unique initiative, Torrent Group has developed and is currently maintaining Parimal Garden and Sukan Garden in Ahmedabad. Engaging with the best talents in the field, over the last 9-10 months, parks in the city had been visited and studied for their usage pattern. Based on the study, it is proposed to develop and maintain another 15 parks in Ahmedabad which have been selected considering different sizes and locations so that they are equally distributed in the town and not centered in one area.

Many studies have been carried out to better express the idea of the park, from its relation to mental health, to bio diversity, to safe playgrounds, to water harvesting, to art in parks, to appropriate lighting, to using this initiative to develop new ways of designing parks.

In phase – I of the Program, 6 parks measuring nearly 32,805 sq mtrs would be developed by a Landscape Architect appointed by Torrent. Architect & Torrent team had gone out and met residents and citizens frequently to understand their expectations of the parks and from these discussions the designs have emerged. The approval of Ahmedabad Municipal Corporation has already been obtained for the same. The estimated time to complete the Phase I is approximately 9 to 12 Months. The total amount to be spent during FY 2017-18 for Phase –I is approximately ₹ 7 crore.

The Company contemplates to contribute ₹ 4.50 Cr. during FY 2017-18.

3. Preventive Healthcare Programme - ₹ 0.02 Cr.

The Company has initiated a Health Care, Sanitation and Hygiene related programme in urban slum areas of Sabarmati ward near AMGEN plant of Torrent Power in the city of Ahmedabad, involving inter-alia general OPD consultation and provision of medicines, specifically aimed at health of children & adolescents and safe-motherhood. The Company contemplates to contribute ₹ 0.02 Cr. during FY 2017-18.

4. Shiksha Setu – ₹ 0.65 Cr.

The project is aimed at achieving visible improvement in the quality of primary education being imparted to the students at the identified schools in the areas of Ahmedabad, Sugan, Memadpur, Chhapi and Indrad. Under the first 5-year period (FY 2011-12 to FY 2015-16), the project covered 21 schools, 6500 students, 230 teachers and approx. 3500 parents. The overall achievements in 5 years, inter-alia, included a cumulative learning improvement of 55.1% at the end of sixth assessment. The project has been taken up for further 6 years period i.e. FY 2016-17 to FY 2021-22 (instead of 5 years indicated earlier, owing to vendor delay but without any additional cost impact) covering 13 schools located in Sugan, Chhatral, Chhapi, Memadpur and Ahmedabad locations and about 4300 students and 150 teachers. In this context, an allocation of ₹ 0.65 Cr. has been made for this activity for FY 2017-18.
